

Department of the Army, DoD

§516.53

have made, laboratory tests they have conducted, or other actions taken in the regular course of their duties.

(2) They limit their testimony to factual matters such as the following: their observations of the patient or other operative facts; the treatment prescribed or corrective action taken; course of recovery or steps required for repair of damage suffered; and, contemplated future treatment.

(3) Their testimony may not extend to expert or opinion testimony, to hypothetical questions, or to a prognosis.

(d) *Court-ordered expert or opinion testimony.* If a court or other appropriate authority orders expert or opinion testimony, the witness will immediately notify Litigation Division. If Litigation Division determines it will not challenge the subpoena or order, the witness will comply with the subpoena or order. If directed by Litigation Division, however, the witness will respectfully decline to comply with the subpoena or order. (See *United States ex. rel. Touhy v. Ragen*, 340 U.S. 462 (1951)).

(e) *Expert witness fees.* All fees tendered to present DA personnel as an expert or opinion witness, to the extent they exceed actual travel, meals, and lodging expenses of the witness, will be remitted to the Treasurer of the United States.

§516.50 Interference with mission.

If the absence of a witness from duty will seriously interfere with the accomplishment of a military mission, the SJA or legal adviser will advise the requesting party and attempt to make alternative arrangements. If these efforts fail, the SJA or legal adviser will refer the matter to Litigation Division.

LITIGATION IN WHICH THE UNITED STATES HAS AN INTEREST

§516.51 Response to subpoenas, orders, or requests for witnesses.

(a) *Referral to a deciding official.* Requests, subpoenas, or orders for official information, interviews or testimony of present or former DA personnel in litigation or potential litigation in which the United States has an interest, including requests from DOJ, will be resolved by the SJA or legal adviser pursuant to the principles of this sub-

part. Litigation Division will be consulted on issues that cannot be resolved by the SJA or legal adviser.

(b) *Reassignment of witnesses.* When requested by the U.S. Attorney, the SJA or legal adviser will ensure that no witnesses are reassigned from the judicial district without advising the DOJ attorney. If a witness is vital to the government's case and trial is imminent, the SJA or legal adviser should make informal arrangements to retain the witness in the command until trial. If this is not feasible, or if a satisfactory arrangement cannot be reached with the DOJ attorney, the SJA or legal adviser should notify Litigation Division.

§516.52 Expert witnesses.

Requests for present or former DA personnel as expert or opinion witnesses from DOJ or other attorneys representing the United States will be referred to Litigation Division unless the request involves a matter that has been delegated by Litigation Division to an SJA or legal adviser. In no event, may present or former DA personnel furnish expert or opinion testimony in a case in which the United States has an interest for a party whose interests are adverse to the interests of the United States.

§516.53 News media and other inquiries.

News media inquiries regarding litigation or potential litigation will be referred to the appropriate public affairs office. DA personnel will not comment on any matter presently or potentially in litigation without proper clearance. Local public affairs officers will refer press inquiries to HQDA (SAPA), WASH DC 20310-1500, with appropriate recommendations for review and approval by the Office of the Chief of Public Affairs. All releases of information regarding actual or potential litigation will be coordinated with Litigation Division prior to release.

STATUS, TRAVEL, AND EXPENSES OF
WITNESSES

§516.54 Witnesses for the United States.

(a) *Status of witness.* A military member authorized to appear as a witness for the United States, including those authorized to appear under §516.55(d), will be placed on temporary duty. If USAR or NG personnel are requested as witnesses for the United States, and if their testimony arises from their active duty service, they should be placed on active duty to testify. The status of a civilian employee will be determined under Federal Personnel Manual 630, subchapter 10. DA personnel who appear as necessary witnesses for a party asserting the government's claim for medical care expenses are witnesses for the United States.

(b) *Travel arrangements.* Travel arrangements for witnesses for the United States normally are made by DOJ through Litigation Division for other than local travel. Litigation Division will issue instructions for this travel, including fund citation, to the appropriate commander. A U.S. Attorney, or an attorney asserting the government's medical care claim under subpart E, may make arrangements for local travel through the SJA or legal adviser for attendance of a witness who is stationed at an installation within the same judicial district, or not more than 100 miles from the place where testifying. Other requests, including those under §516.55(d), will be referred to Litigation Division. The instructions from Litigation Division, or the request from the U.S. Attorney or the attorney asserting the government's claim, will serve as a basis for the issuance of appropriate travel orders by the local commander.

(c) *Travel and per diem expenses.* The witness' commander or supervisor should ensure the witness has sufficient funds to defray expenses. The SJA or legal adviser will provide assistance.

(1) Where local travel is performed at the request of a U.S. Attorney and the testimony does not involve information acquired in the performance of duties, transportation arrangements and

any per diem expenses are the responsibility of the U.S. Attorney.

(2) An attorney asserting the government's medical care or property claim may be required to advance local travel expense money to the witness requested and to include these in recoverable costs where the government's claim is not large enough to justify expenditures of government travel funds.

(3) Other local travel and per diem expense for cases involving Army activities or claims are proper expenses of the command issuing the orders.

(4) Litigation Division will furnish travel expense and per diem funds for other than local travel and will receive reimbursement from DOJ or other government agencies as appropriate.

§516.55 Witnesses for a State or private litigant.

(a) *Status of witness.* If authorized to appear as a witness for a state or private litigant, and the testimony to be given relates to information obtained in the performance of official duties, a military member will attend in a permissive TDY status. If authorized to appear as a witness, but the testimony does not relate to information obtained in the performance of official duties, a military member may be granted a pass or permissive TDY under AR 630-5, or be required to take ordinary leave. The status of a civilian employee will be determined under 5 CFR Chapter I.

(b) *Travel arrangements.* The requesting party or state agency will make all travel arrangements for attendance of DA personnel authorized to appear as witnesses for a state or private litigant. The local commander may issue appropriate orders when necessary.

(c) *Travel expenses.* The United States may not pay travel, meals, and lodging expenses of the witness, other than normal allowances for subsistence pursuant to the DOD Military Pay and Allowances Entitlements Manual. These expenses are solely a matter between the witness and the party seeking his appearance. Witnesses ordinarily should be advised to require advance payment of such expenses. Military personnel authorized to appear in a pass or permissive TDY status are not entitled to receive witness attendance
